Member, Saints and Friends,

We here at True Gospel Fellowship, CLGI, we care for every member and visitor lives, including your health and welfare. To that end, we are asking you to take precautions to keep yourself and others safe. Considering recent developments with Coronavirus (COVID-19). In San Antonio, Texas, United States and the World.

Please be mindful of the importance of good hygiene practices to reduce the risk of spreading contagion (**the communication of disease from one person to another by close contact**): Wash your hands for 20 seconds with soap and hot water, cover all coughs (into your elbow), avoid handshakes and hugs, practice social distancing, if you are sick stay home.

Follow all guidelines issued by your local and state agencies. If you believe you have been infected with the virus, seek immediate attention. Please limit your exposure to other people. For more information visit the CDC (Center for Disease Control) at www.cdc.gov/coronavirus.

This too shall pass; we will get through this and return to some normalcy. Please pray with us as we pray for the sick, caregivers, nurses and doctors that are doing all they know to do.

May God Bless You and Keep You,

Pastor Ricky Walton
